***City Council Actions***

**Today, I requested City Council President Scott Peters to place on the Docket for a full City Council hearing, the issue of privatizing law enforcement services with a recommendation that the Council exempt law enforcement services from being contracted out.**

Proposition C on the November ballot would allow the City to contract out services if they are determined to be more economical and efficient. It is unclear at this time as to whether or not Law Enforcement is exempt from contracting out their services to the private sector. We can not continue to erode the confidence and moral of the San Diego Police Department by having officers think that this Council supports outsourcing their jobs to the private sector.

Placing this item on the agenda within the next few weeks for a full public discussion, will send a clear message to our men and women of law enforcement that we have no intention of privatizing their services.

**I will be adjourning today's Council meeting in memory of a great public servant, Mrs. Evelyn Jackson.** Evelyn moved to San Diego in 1967 and continued her exemplary volunteer service to the youth and families of San Diego. She served as PTA President at Fulton Elementary and Morse High School.

This dynamic leader, organized the Skyline Hills Community Association, served on the first City Planning Committee, the Citizens Advisory Commission on Racial Integration, the Southeast San Diego Police Task Force and San Diego Recreation Board. She also served on numerous committees including the Elementary Institute of Science, Friends of the Library and the San Diego Democratic Club. She has been the recipient of numerous awards that are too many to mention.

At her funeral yesterday, Evelyn's family had these beautiful words to say on her behalf:

"Don't grieve for me, for now I am free. I'm following the path God laid for me. I could not stay another day, to laugh, to love, to work or play. God wanted me now."

Mrs. Jackson is survived by her faithful husband, Fred, their three children Deborah, Jeffrey, and Sylvia, four grandchildren, and a large family of nieces, nephews and many dear friends.
